Board of Directors/Leadership Council/Advisory Council*

Expectations (include term, time, and monetary requirements):

Team Jack Board of Directors: The Board of Directors shall serve staggered terms of office, 3-year term, monthly meetings via conference call, register address with the secretary of the corporation, no compensation. We would ask that board members make a monetary contribution to the Foundation.

Event Committees*

Descriptions & Expectations for EACH event (include term, time, and monetary requirements)

1. **Omaha Advisory Committee:** The Foundation, to date, has invested \$6.5 million in grants to UNMC and Children's Hospital to ensure kids in Nebraska have access to the best care possible without leaving the state. Because the program is fairly new, improving community visibility is a top priority for the Foundation. With this, we would like to create an Omaha Advisory Committee that meets quarterly to discuss awareness opportunities and how we can improve visibility in Omaha. This includes increasing awareness of the organization, our programs and our cause. Term: 2 years. Meetings would be held quarterly via zoom or conference call.

2. **Event Committees:** For each Team Jack sponsored event, the Foundation forms an event committee to help obtain auction items, plan logistics of the event and more. We would invite individuals to join on one or more of these committees to become directly involved in planning stages. This includes committees for the Gala, Takedown the Tumor Nationals Youth Wrestling event and other events TBA. Term: 1 year per committee.

General Volunteerism Opportunities*

Descriptions & Expectations for EACH type of opportunity (include timeframe and time commitment)

For the 2022 year, below are the volunteer opportunities:

- Team Jack Foundation Annual Gala (Feb. 24, 2024, Lincoln, NE): This is the Foundation's annual marquee event. We would request 10-12 volunteers to help the evening of the event with the silent and live auction as well as other logistical tasks.
- Takedown the Tumor Nationals Youth Wrestling Tournament (Nov-Dec 2024-TBD): This event is in honor of Kieran Akerson, from Valley, Nebr. The Inaugural event raised over \$72,000 and brought together over 300 wrestlers from 14 states. We would request volunteers prior to the event and during the event for set up, tear down as well as running registration and general logistical tasks.

***Please note if virtual/hybrid attendance is an option; this is an opportunity to expand your reach across Nebraska!**

Currently, the Foundation conducts all committee meetings and board meetings via conference call or zoom.
