

# PURPLE PROFILES *of* COURAGE

**Name:** Lori Hampton

**My Connection to the Cause:**  
I have lost someone to Alzheimer's disease.

**My Inspiration:**  
My mother Marjorie

**How I Stay Strong:**  
I sought out other caregivers who have dealt with Alzheimer's. I called on the Alzheimer's Association and was met with open ears.

**My Advice to Others:** Breathe first and then learn as much as you can about the disease. Call your local Alzheimer's Association and ask for help. Get involved on a volunteer committee. Become an advocate for your loved one – be their voice. You will soon learn you are not alone.

**My #ENDALZ Battle Cry:** "We have no "Survivor" Walk currently – but we will!"
